

Q&A for Business & Economic Development RFP

- Have any consultants conducted this type of work in your area recently? If so, who conducted the work and what type of services were provided?

No

- How important is it to have a local consultant conduct the work?

We always consider it important to use local businesses, if possible.

- How many members are on the selection committee? Can you provide the names and titles of the individuals?

Not yet determined

- Was the RFP sent to any consultants? If so, who?

No

- Can you provide a list of consultants who have expressed interest in this project?

None at this time
